This W. O. who was married on April 17th 1918, cancelled the allotment in favour of himself, and transferred the allotment to his wife, as from May 1st. Apparently the transfer has operated only from June 1st. and Mrs. White has received Separation Allowance and Allotment for June - July period only.

Will you please enquire into this apparent discrepancy.

Major Montgenrie

In relation to the enclosures (returned herewith) of your Minute of this day's date, the explanation regarding Pte. White is as follows:-

1. On the 3rd., instant the Bishop of St. George's called on me and named as two most promising volunteers from his Diocese Sergt. Sam Smith and Pte. Richard White and requested that Volunteers might be requested as Candidates for Commissions.

2. Following my usual practice, when I do not know for certain the whereabouts of the men who it is desired to have considered as Candidates for promotion I wrote to Capt. Timswell on the 3rd., inst naming these two for candidates for promotion.

3. It so happened that Colonel Hadow included the name of Sergt. Sam Smith in the list of those whom he recommended for commissions by his telegram of the 5th., June (No. 253) and this Sergt. Has been duly posted as 2nd. Lieut.

4. The name of Richard White was put forward by the Bishop as representative of the Volunteers of French descent along the West Coast and came forward early in the War in considerable numbers. His name I understood to be originally LeBlanc which has been Angilized into White.

5. His Lordship now corrects an error in the description of the Christian Name of White which is Frederick not Richard as originally given to me.

6. I propose therefore to Telegraph to Capt. Timswell as follows
My letter June 3rd., No. 72 Christian name of Pte. White is Frederick not Richard. Recommended for non-commissioned rank.

OPINION OF THE MEDICAL BOARD.

NOTES.—(1) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—

- (a) Any disability claimed or discovered. *Debility following pneumonia*
- (b) The present condition thereof. *Gets pains in right shoulder since the accident well nourished, pulse 76 Complains of cough particularly in morning. When working gets "weak turns"*

22. State whether the disabilities are:—

- | | | |
|--|---------------------|-------------------|
| | (a) Attributable to | (b) Aggravated by |
| (i.) Service during the present war | <i>Yes</i> | |
| (ii.) Previous active service | | |
| (iii.) Climate in pre-war service | | |
| (iv.) Ordinary military service before the war | | |
| (v.) Serious negligence or misconduct on the part of the soldier | <i>No</i> | |
- Give details:

22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not

- (a) How long is the present degree of disability likely to last?
- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24.

Infectio

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures).
- (b) In case of aggravation or where there is any evidence that there was a disability on entry, what in your opinion was the degree of disablement which existed at the time of joining the Army?

less than 5%

25. If an operation was advised and declined, was the refusal unreasonable?

If the Military Member is in disagreement with the Civilian Members, he is to state his opinion in the space provided.

14 Kings Place,
Halifax, N.S.

Dear Sir,

Your letter of the 5th. inst. to hand and ask you to return your Warrant to this Department for correction. The error is exceedingly regretted. I am returning your medals under registered post today. The rank inscribed thereon is correct as you will see for yourself when you peruse the following War Office regulations governing the issue of the British War and Victory Medals,

(with regard to rank):- 'Individuals entitled to the British War medal only the same will be inscribed with the highest rank, substantive, acting or temporary, attained Overseas. Individuals entitled to the British War and Victory medals the same will be inscribed with the highest rank, whether substantive, acting or temporary, recorded as having been held in a theatre of war for any period whatever unless reverted for misconduct. To qualify for the above medals individuals must have served in the Great War between the 4th. of August, 1914, and the 11th. of November, 1918.'

Trusting that this explanation is satisfactory, I remain,

Yours faithfully,
