Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability.

10. Place of origin of disability.

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

*Loss of teeth on or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
(iii.) The rates of pension vary directly according to whether the disability is, (a) caused or aggravated by service in the present war, (b) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.
(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

21. (a.) State whether the disability is clearly attributable to—
(i.) Service during the present war;
(ii.) Climate;
(iii.) Ordinary military service;
(iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
(v.) Whether it is constitutional or hereditary.
(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

*Right foot big toe still weak
as result of old abscess.
Wound over shoulder - a
gaping wound as disability.
Small F.B. in right cheek
false teeth partly broken*

G.S.W. & service

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?
23. Is the disability permanent?
24. If not permanent, how soon do the Board recommend re-examination?
25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?
Degree of disablement should be expressed in the following percentages—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.
26. If an operation was advised and declined, was the refusal unreasonable?
27. Do the Board recommend—
(a) Discharge as permanently unfit, or
(b) Change to England?

less than 5%

yes & dental treatment

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—
(a) Sanatorium;
(b) Hospital;
(c) Convalescent home;
(d) Asylum; or
(e) Other institution either as an in-patient or as out-patient, and if so the period for which recommended.

Lieut.
For Paymaster,

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

A. Willey,

Dear Sir & Friend:-

Just a line with regards to the Pay Book sent me. It seems there is a little mistake somewhere as this Pay Book No. is 3676 and the initial of name is J. White and my No. would be 2643 Pte. A. White or may be A.L. White. And you may remember J. White was in C. Company in training and I was in B. Company stood next to you in the ranks, if I am not mistaken. And I am sending the Pay Book and Receipt Book to you as it may be useful to the owner if he^{is} alive, but I almost think he was killed.

Yours truly,
