15th July, 1919.

Madam,

With reference to your letter of the 11th ultimo, which has been passed to this office, I am informed by the "Director General of Graves Registration and Enquiries" that the grave of Pte. K. Woodman has not yet been located, and all enquiries have so far proved unsuccessful.

The facts have been noted, and I will write to you again later on if any information is obtainable.

I am very sorry not to be able to send you a more satisfactory reply.

Your request for a photograph will be noted.

I very much regret that I am not in a position to give you any details as to the death of Pte. K. Woodman as this Office only deals with the registration and care of graves.

I am to express the regret of the Commission that the inscription suggested by you is too long to be accepted by them for engraving on the headstone of Pte. K. Woodman.

I am, however, to state that the Commission are now prepared to accept requests for additional inscriptions to be engraved on headstones under the following conditions:-

- (1) That they will be executed at the cost of the person making the request.
- (2) That they do not exceed 66 letters in length, in counting which the space between any two words must be reckoned as one letter.

I am to explain that the restriction on the length of the inscriptions (which admits the most appropriate sentences to be found in the Bible and in other literature) is found to be necessary in order to avoid injuring the appearance of the headstone by unduly crowded detail or very minute carving.

It is estimated that the cost of additional inscriptions will be 3^d. per letter, but will be subject to future fluctuations of cost.

Relatives will be asked to forward the money for their inscription before the headstone is erected, and they are requested not to do so until they receive a further communication on the subject.

I am, to state that any such inscription can only be accepted provisionally until the officers of the Graves Registration Unit have been able definitely to locate the grave of Pte. K. Woodman.

It is, however, the intention of the Commission to erect memorials to those officers and men whose graves cannot be found in the

British Cemetery nearest to the place where they are supposed to have fallen.

The precise form which this memorial will take is not yet decided but is still under consideration by the Commission.

I am, Madam,

Your obedient servant.

C.R. 1627 43

November 23rd 1916.

Dear Sir,

For some time past the Imperial Government have been making enquiries in relation to those men of the First Newfoundland Regiment who have been reported missing since the action of the 1st July. I very much regret to state, however, that from the correspondence which has taken place, a copy of which I enclose, it is evident that none of them are Prisoners of War in Germany, and the authorities are, therefore, reluctantly forced to the conclusion that all these gallant men, whose names are given in the enclosed list, and one of whom was very dear to you, were killed in that fateful action on the 1st of July.

I desire to express to you on behalf of the Government, as well as for myself, the sincerest sympathy in this time of sorrow. We feel the loss of our loved ones, but it will, no doubt, be some consolation to you to think that he, for whom you now mourn, willingly answered the call of King and Country, did his part nobly, and fell, facing the foe, in defence of the principles of Righteousness, Truth and Liberty. Though he has laid down the earthly weapons of warfare, he now wears the Soldier's Crown of Victory, and his name will be inscribed upon the Glorious Roll of Honor, and be held in fragrant memory by all his fellow-countrymen. When the victory is won, and Peace again reigns upon the earth, it will be a comforting thought to you that in this glorious achievement he bore no small part.

I trust that you may have the Grace and consolation of the Great Father of us all at this time.

With sincere sympathy,

Believe me to be,

Your obedient servant,

Mr. Edward Woodman,

FEBRUARY 24th 1920.

Miss M.E. Woodman,
New Harbour,
Trinity Bay.

Dear Madam:

I beg to acknowledge receipt of your letter of February 8th, covering Cemetery Register Form of the late #1627 Pte. Kenneth Woodman.

The instructions on page 4 seem to be very clear, and owing to the space at the foot of the stone being limited, only sixty six letters can be allowed. I am returning the Form herewith as the Inscription forwarded by you greatly exceeds this number. To enable you to fill in a shorter Inscription I am forwarding herewith a short list of some Inscriptions which we have received. You will notice that none of these exceed sixty six letters.

If you do not desire to have a Cross engraved in the centre of the stone, please state so in space (B).

I am also returning herewith the letter which you received from the Imperial War Graves Commission, London.

Yours faithfully,

Lieut. Colonel,
Chief Staff Officer.
