Claim Lieut. Woods.

I have your communication of 6th inst., in the marginally named connection, and return correspondence. There is no authority that I know of covering appointments of Adjutants, with pay of such appointments, in connection with the repatriation or forwarding of small drafts. While an officer might be detailed for special duty in this connection, this would not involve the usual work covered by the Adjutant of a Battalion, in connection with which authorization of special pay is made. I am not in a position therefore to authorise payment of this claim and shall be glad if you will notify Lieut. Woods accordingly.

It has not been usual in connection with

Dear Sir -

I have been informed that as soon as I am fit I shall be given 10 days furlough from here together with a railway pass to where ever I may want to spend it; without being obliged to go

to our Depot in Ayr, first.

I shall need my back pay for furlough and should like to know when + how I can get it. Can you advise me? My pay-book was taken from me when I entered here and I presume was sent to you.

Respectfully Yours

With reference to your claim for Separation Allowance: The Regulations require you to allot at least 50% of your pay in favour of your wife, and as the reasons given do not appear to require this stipulation to be waived, before claim can be admitted the allotment must be made. Meanwhile in order not to delay payment of the allowance, allotment of \$1.00 per day has been put into force from 22/12/17, and allotment forms forwarded to you for completion, and confirmation of the action taken.

Dear Hughie

Please don't become too astonished at receiving a note from me. It isn't because I am dying to write to someone - for I loathe writing. I want you to perform a small favour for me, if you

2

will be so good. My friends in Scotland want to send out some little things, and you know how precarious is the parcel post just now. I have therefore taken the liberty of asking them to address ~~the~~ any parcels to me c/o you at the Record Office, & would be more than obliged if you could give

3.
them to someone who happens to
be returning home. I hear that
Crocker will be coming home very
soon & no doubt there will be
others later.

If you will do this for
Mr Hughes, I shall love you
for always.

4.
I hear that London is a
prithing mass of soldiers & ex-soldiers
who are making things lively.

Hope you & your wife are
quite well & having a good time.

J.P. Cheerio

P.S. Just saw Honourable's mention
of you & Marshall in the daily
paper — Congrats old man!
