Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalidated, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (a) caused or aggravated by service in the present war, (b) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—
  - (i.) Service during the present war; ✓
  - (ii.) Climate; ✓
  - (iii.) Ordinary military service; ✓
  - (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or ✓
  - (v.) Whether it is constitutional or hereditary. ✓
- (b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *G. I. N.*
22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which? *h*
23. Is the disability permanent? *some may be permanent*
24. If not permanent, how soon do the Board recommend re-examination? *not known*
25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?
 

*Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.*

*100*
26. If an operation was advised and declined, was the refusal unreasonable? *Grade 16*
27. Do the Board recommend—
  - (a) Discharge as permanently unfit, or ✓
  - (b) Change to England? ✓
28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—
  - (a) Sanatorium; ✓
  - (b) Hospital; ✓
  - (c) Convalescent home; ✓
  - (d) Asylum; or ✓
  - (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended. ✓
29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended? *Yes for temp. use*

To Major Timewell 7.7.18  
38 Victoria St.

Sir:- I refer me to my allotment which I requested of you to stop & having received the necessary papers & filled them in it seems that there is some doubt as to its being stopped or at least stopped soon so I thought I would take the liberty of writing & explaining to you in full I. of right say (as before) that my Parents are in no way dependent on my allotment. My mother is keeping it for me when I return & not spending a cent. my father is still alive and I also have a brother of 25 yrs

Both whom are working &  
 are well. off. I also have  
 a brother in the Navy who  
 is ~~in the Navy~~ an allot.  
~~and~~ is also being kept  
 for ~~some~~

My reason for  
 stopping the allotment is  
 that I will soon  
 be going home & I don't  
 want to go home penniless  
 which otherwise I could  
 not do on so few days.

In a month or two  
 I will be getting my discharge  
 and through wounds &  
 my allotment have been  
 going on for two years & 1/2  
 and you nearly two years  
 in France. I intend to have  
 furlough before I go home  
 before I was on leave a month  
 before I was wounded &  
 drew all my money in the  
 pay. so when this furlough  
 comes I'll want to buy  
 a few things before I  
 go home. I find I  
 have not got the money  
 so I thought it better to  
 stop the allotment than  
 send home for money  
 I think I have  
 explained fully now

& I might also say  
that I have wrote  
home & told them  
that the allotment  
would be stopped.

If it is convenient  
I would like to  
have it stopped for  
July 1st. or thereabouts

If you require  
any further informa-  
tion, I am at your  
service. If it is stopped  
I would like to  
be informed of full  
particulars

Yours truly

Reference reverse:- Separation Allowance is a grant made by the Newfoundland Government to a Dependant of a Soldier, and one of the principle condition under which the allowance is granted, is that the Soldier must allot at least 50% of his ~~fundamental~~ Pay to the dependant who is receiving Separation Allowance. Separation Allowance would not be granted unless the Soldier was the sole support of his Mother.

Kindly therefore verify replies to queries 1, and 2, If correct the allotment must remain in force and may not be cancelled if Separation Allowance is being paid.
